With the successful production of the seventh edition of **Jazz Artists on the Greens (JAOTG)** recently completed in Trinidad, **Production One Ltd.** ventures to the sister island of Tobago for the second TOBAGO edition of this flagship event, and continues to break new ground in entertainment options there. - **Bellita y JazzTumbatá of Cuba led by Lilia Expósito Pino (a.k.a. Bellita)**
- **CaneFire** of Canada playing their mix of Latin-Jazz and Caribbean flavoured jazz led by pianist Jeremy Ledbetter.
- Trinidad-based music ensemble, **élan parlé**, debuting music from their forthcoming CD "Jazzalypso"
- World Beat masters, **Mungal Patasar & Pantar**, fusing the sitar and steelpan

WHEN: 6:00 - Midnight
Saturday, April 25, 2009

WHAT: **Jazz Artists on the Greens, TOBAGO**
- 6:00 pm - gates open for pre-concert festivities
- 8:00 pm - concert start-time

WHY: **Jazz Artists on the Greens** began in 2003 with the objective of exposing as many new patrons and young musicians as possible to Jazz, in an informal setting that could help remove much of the mystique that seemed to surround the genre. Leaning towards the Caribbean Jazz idiom for inspiration, and with the intention of bringing a touch of class to local jazz, the event has grown from strength to strength, ever widening its base of regional performers...and its audience.

The logo for Production One Ltd. features the company name in white, uppercase letters inside a dark blue, horizontally-oriented oval. The oval is set against a light blue background with a subtle, curved gradient.
