## **9<sup>TH</sup> EDITION OF JAZZ ARTISTS ON THE GREENS – APRIL 9<sup>TH</sup> 2011**

**GLENCOE, December 22, 2010** – The 9<sup>th</sup> Edition of **Jazz Artists on the Greens** (JAOTG) is on Saturday, April 9<sup>th</sup> 2011. With the demise of the Plymouth Jazz Festival, The Cayman Jazz Festival and more recently the Barbados Jazz Festival, the T&T faithful can be assured, T&T's Premier Open Air Jazz Festival will continue to sate their desire for top-notch, Caribbean and International Jazz.

Started in 2003, **JAOTG** is produced and presented annually by **Production One Ltd.** This open-air concert, which is now considered “a true social calendar event”, is fashioned to encourage its patrons to “walk with their mats and festival chairs” and sit where they are most comfortable as they enjoy good company and great music.

In 2011, the event promises a powerful mix of contemporary Caribbean Jazz Styles, delivered by some of the most talented performers to grace our stage.

Having created a true festival atmosphere over the years with an ever growing audience and concessionaires, the event is being re-located to an even more spacious accommodation at the “Greens at WASA's Head Office”, Farm Road in St. Joseph. This well-lit, secure facility also offers adequate off-the-road parking for patrons' vehicles.

Already offering food, drinks, CDs, musical instruments and festival memorabilia for sale, as well as free give-aways and door prizes, in 2011, the range of festival-related concessions and paraphernalia will be expanded to offer a truly gastronomical and artistic experience, among others.
